Protagonista indiscusso, a Fermo e nei suoi dintorni, è il mare. La città offre a visitatori e turisti splendidì tratti di costa, preziose distese di sabbia dorata da un lato e ampi tratti di bianchi ciottoli levigati dall’altra. Il Lido di Fermo, il Lido di San Tommaso e Casabianca sono propaggini naturali del colle fermano che, unitamente a Marina Palmense, distesa sotto le grandi terrazze panoramiche di Torre di Palme, offrono sole, spiagge, relax e divertimento.

Lungo la costa fermana sorgono i migliori villaggi turistici, spaziati e ricchi di verde, inseriti armoniosamente nel contesto di una natura rigogliosa e variegata. Le molteplici varietà di alberghi, dal più piccolo a conduzione familiare fino al più evoluto ed attrezzato, costituiscono un’offerta turistica completa dove ogni ospite può godersi le romantiche albe sul mare, il ritmico fluire delle onde, la gioiosa vita di spiaggia o le lunghissime e rilassanti passeggiate sull’ampia battigia.

Il lungomare inoltre è costellato di accoglienti stabilimenti balneari, dove si possono trascorrere sia rilassanti giornate in famiglia tra gli ombrelloni che divertenti serate tra amici. Le spiagge di Lido di Fermo, Casabianca e Marina Palmense sono state insignite negli ultimi anni della prestigiosa Banderina Blu.

The sea is the undisputed protagonist in Fermo and its surroundings. The city offers to visitors and tourists wonderful tracts of coastline: on one side with precious golden sandy beaches, on the other wide stretches with white pebbles. Lido di Fermo, Lido di San Tommaso and Casabianca are natural offshoots of the fermano’s hill that, as Marina Palmense, lying under the large panoramic terraces of Torre di Palme, offer sun, beaches, relax and entertainment. The best tourist villages are along the coast: they are spacious and rich in greenery, harmoniously inserted in the context of a luxuriant and colorful nature. Fermo offers a variety of hotels that goes from the homey and smallest to the most advanced and equipped where every guest can enjoy the romantic sunrise over the sea, the rhythmic flow of the waves, the joyous beach life or the long and relaxing walks on the shore. The seafront is also dotted with cozy beach properties where you can spend both relaxing days with your family among the umbrellas, and fun evenings with your friends. The beaches of Lido di Fermo, Casabianca and Marina Palmense have been awarded, in the last years, of the prestigious FEE Blue Flag.
